Experience

INTERIOR DESIGNER | DELSK GROUP

July 2022 - Present

- Developed FF&E concepts, including the design of bespoke furniture and the specification of furniture for residential and hospitality projects.
- Curated colour, material, and finish palettes and selected materials for furniture and interior applications.
- Prepared technical drawings and coordinated suppliers and manufacturers throughout project development.
- Produced high-quality 3D visualisations to communicate design concepts.

INTERIOR DESIGNER | ATELIER PAULA GOUVEIA

May 2021 - June 2022

- Developed moodboards and presentations to communicate design concepts.
- Designed bespoke furniture, lighting, and sustainable product concepts.
- Contributed to an award-winning hospitality project, recognised with the Best Luxury Restaurant Interior Design Award.

INTERIOR DESIGNER INTERN | COMOPI/UNISSIMA

March - June 2019

- Developed furniture concepts from ideation to production.
- Prepared technical drawings for in-house manufacturing.
